Implementation of Winter Surcharge for Saint- Petersburg 2019 – 2020 on FESCO Baltorient Line.

Dear Valued Customers,

Herewith we would like to inform you about the implementation of our Winter Surcharge for the upcoming season 2019/2020.

Please be guided that as from 01/12/2019 and until 30/04/2020 BL DATES for all shipments:

- to St. Petersburg we will apply a Winter surcharge at level of USD 100 per TEU (laden/empty)
- from St. Petersburg we will apply a Winter surcharge at level of USD 50 per CNTR (laden/empty)

The surcharge is mainly due to the significant increases of port dues and to cover additional operational costs due to severe weather and ice conditions.

We appreciate your understanding.
